* The TTD rate shall not exceed the employee's average weekly wage. The TTD rate is equal to 100% of employee's AWW or the above minimum, whichever is less. TTD Minimums will increase annually as state minimum wage increases up to \$15.00 by 1/1/2025. Current State Minimum wage is \$13.00 an hour for 2023.

Maximums for TTD, Death and Member Amputations -- Minimums for Death, PTD and Member Amputations
The maximum TTD, death benefit and member amputation rate is set at 133 1/3% of the state's average weekly wage. The minimum death benefit, permanent total disability (PTD) and member amputation rate is set at 50% of the state average weekly wage. The maximum and the minimum rates change twice a year on January 15 and July 15. The member amputation minimum rate applies to accident dates after 2/1/06.

Wage Differential Claims The Maximum Wage Differential Rate for dates of accident after 2/1/06 is the State AWW in effect on the date of accident. Wage Differential Benefits for accidents which occurred after 9/1/11 terminate at age 67 or last up to a maximum of five years from the date of a final decision.
